

Help Design the Wiskott-Aldrich Conference T-Shirt

Do your kids enjoy drawing and designing? We invite them to submit their artistic designs for the official July 2010 Wiskott-Aldrich Syndrome Conference T-shirt.

This year's conference theme is

New Horizons, New Hope

Now we need a logo to go with the theme. This is where all of you come in: we are having a contest for the most creative logo which will be printed on the T-shirts to be distributed to all participants at this year's conference. The winning artist will also receive a **\$100 cash prize**.

- The contest is open to children around the world grades K–12.
- Please use bright colored markers, paints, pencils, or crayons and draw freehand on plain white, 8.5 x 11 inch copy paper.
- Mail your drawing, preferably flat in a protective envelope along with your name, phone number and address to the address below. Please email Elizabeth Garabedian at eg22e@nih.gov with any questions.
